Speaker at FHA Banquet

Teresa Cyrus, left above, is seen talking with Brenda Williams, right above, a Virginia Federation Officer Future Homemakers of America, who was the guest speaker at the annual mother - daughter banquet of the Junior Chapter FHA on Thursday evening.

Brenda, who is a senior at William Campbell High School, presented a most interesting talk on "What FHA Means To Me." She asked the question, "How do you feel about being called a homemaker," and added that most people do not like saying they are just a homemaker. Brenda stressed the importance of the role of homemaker in society saying that a homemaker spends a least 56 hours each week at her job as there is a lot to be done and if the homemaker works outside the home still spends about 42 hours working in the home plus the outside work.

The homemaker may not receive the recognition she deserves for her job done in the home but she is definitely the backbone of the family and a family is most important in society.

Brenda told the group that she has been quite involved in her FHA projects and school and dating and so forth, but she always can manage to find time for her family as she feels that is very important.

Mrs. Randolph Smith, president of the Delta Zeta Sorority, stands beside the 3-speed AMF bicycle to be raffled by chapter in order to raise funds for chapter activities.

Sorority Sets Bake Sale-Raffle

Delta Zeta Chapter, Beta Sigma Phi will be selling baked goods as well as raffle tickets for the 3-speed bicycle at Triangle Plaza Shopping Center this week end in order to raise money to meet this year's expenses. Delta Zeta contributes much to the community by administering the Hi-Neighbor project, which welcomes new comers to town with coupons for gifts or discounts from local businesses. In addition the chapter offers a Vocational Scholarship of $150.00 to an Appomattox student planning to further his education in a vocation or trade field. That scholarship is presently open for applications, the deadline being set for April 1, 1974.

Any senior student in Appomattox schools may contact any member of the chapter for further information regarding the scholarship.

Other than giving the scholarship, Delta Zeta has donated to the Appmattox County Rescue Squad, the Endocrine Research Foundation, the BEO International Endowment fund for such causes as the American Cancer Society, Cistic Fibrosis and many other worthwhile charities have received financial support from the chapter.

Members raise money for such activities themselves with such projects as the Valentine Raffle when Sam Almond won a dozen red roses and a box of candy to present to his Valentine. The ongoing effort to raise funds will help the chapter continue to support and bolster the Appomatox community.

Fidelity Announces Three Promotions

Fidelity American Bankshares, Inc. has announced three promotions, according to E.R. Harris, Jr., president and chief executive officer of the registered bank holding company.

Those receiving promotions are: Robert S. Campbell to Assistant Loan Administrative Officer, John T. Percy, Jr. to Investment Officer, and Mrs. Brenda S. Watts to Administrative Assistant in the Corporate Personnel Department.

Mr. Campbell joined the company in September of 1973 and is a graduate of Auburn University.

Mr. Percy holds a B.A. degree in economics from Hampden-Sydney College and had attended the University of Virginia Graduate School of Business Administrative. He became associated with the company in October of 1973.

Mr. Percy serves on the Board of Trustees of The Blue Ridge School.

Mrs. Watts joined Fidelity National Bank in November of 1969. A graduate of E.C. Glass High School, she attended Central Virginia Community College.

"Town of Pamplin" 100 Years Old

Submitted by:Stuart Farrar
Ref. National Archives,
Washington, D.c.

The Town of Pamplin was granted a Charter of Incorporation by the General Assembly March 24, 1874. The charter gave the town all rights and privileges of any town under 500 population. It appointed five trustees: John Robert Franklin, Thomas P. Matthews, E. R. Woodson, James M. Couch and A.M. Chambers. It stated that the mayor of the town was to be chosen by and within the five board of trustees or council. The tax rate was to be 50c per $100.00 value in property. That the town election was to be held the first Tuesday in February 1875 and every two years thereafter.

It is to be noted that two of the five trustees later became county officials: Franklin, treasurer and Woodson, commonwealth attorney.

U.S. Postal Service began in Pamplin on December 16, 1826 and was then called "Merriman's Shop." The first postmaster was Mr. Bird Smith. The name was changed to "Pamplin's Depot" on June 17, 1854 with Nicholas Pamplin appointed postmaster the same day.Then on November 17, 1865 the name of the town was changed to "Pamplin City" and Mrs. Sarah Burruss was postmistress.

Again on May 7, 1912 the named was changed to just "Pamplin". R. Leonard Franklin was the postmaster. Following is a complete list of the people who have served as postmasters and the date of their appointment: Bird Smith, Dec. 16, 1826; Samuel Baldwin, April 14, 1831; Ralph Merriman, Sept. 7, 1831; Eldridge Land, December 12, 1831; Nicholas Pamplin, Nov. 28, 1844; Mrs. Sarah Burruss, November 17, 1865; Daniel Gills, January 17, 1876; Archer Womach, December 19, 1881; Mrs. Sallie L. Foster, January 6, 1885; Daniel W. Gills, July 21, 1885; Samuel R. Franklin, July 16, 1889; Joshua W. Clark, May 8, 1893; R. Leonard Franklin, May 7, 1897; Estelle W. Ligon, July 16, 1913; W. Courtney Franklin, December 19, 1922; Leslie N. Ligon, April 13, 1933; Harry A. Williams (Acting) August 1, 1949; J. Malcome Inge, March 2, 1951; Lloyd Richardson, March 17, 1973.

The U.S. Industrial Census lists under manufacturing the following: 1850 **Appomattox County: MERRIMAN'S SHOP.** Nicholas Pamplin, **Leather Tanner, Capital invested $500.00** Number of hands - 4; Annual quantity of product - 1400 pcs.; Finished products - uppers & shoes for shoes - Annual value of products sold - $4,000.00.

1860

Let's Help Clean-Up Appomattox

Mayor H. B. Pack has declared the first two weeks in April, 1st - 15th, to be set aside as Clean-Up In Appomattox.

In this ecological program, sociology classes at Appomattox County High School are busy organizing projects and setting up committees. Each person is not only involved in a group project but also in individual projects, such as planting shrubbery or flowers around their homes. Various clubs and organizations are being contacted and urged to participate in some way. Students who wish to gain additional knowledge on ecology can see films and listen to guest speakers. If possible, bumper stickers may be sold. Posters are being made and placed all over Appomattox. Students are also planning to clean-up around the high school and various parking lots.

If you're a member of some organization try to get them involved. Even if you do not belong to any clubs, you can still "Pitch In" and help make Appomattox beautiful!

School Board Approves Budget For 74-75

Cont'd from Page 1

ture per pupil of $687.00. The total budget for the system, including capital outlay and debt service, is $2,365,864.00. The budget, as approved by the School Board, includes funds to employ personnel to meet the Standards of Quality in the areas of special education and vocational e d u c a t i o n. Funds are also budgeted to meet the increases created by the high cost of gasoline, fuel oil and electricity.

The budget also contains funds to provide a salary scale for teachers ranging from $7500 for a teacher with no experience to $10,200 for a teacher with sixteen years experience. The Appomattox Education Association had requested a salary scale ranging from $7800 to $11,076 in fourteen steps.

In arriving at the salary scale for teachers the School Board took into consideration the high cost created by inflation during the past year and the salary scale provided for teachers in surrounding school divisions. The School Board attempted to provide a reasonable increase in salaries for teachers and at the same time meet the financial needs in all other areas of the school system. The School Board adopted the working budget at its regular meeting on Friday, March 15th.

Superintendent of Schools, Lloyd G. Walton, discussed the details of the school budget with the Board of Supervisors in an informal session on Thursday, March 21. He pointed out to the Board of Supervisors that the School Board had adopted a budget which would enable the division to meet most of the requirements of the Standards of Quality program. He also stated that the budget was planned to provided reasonable increases in salaries for the teachers of the division, to provide funds for an expanded program to enable the division to more effectively meet the needs of its youth, to provide additional instructional materials and equipment and to provide some additional teachers to relieve the over crowded conditions of some of the present classrooms. A formal agreement was reached with the Board of Supervisors regarding the budget which enables the Superintendent and School Board to proceed with the assignment and employment of personnel for the 1974-75 session and to make other plans relative to the organization of the school system for next year.

Walton continued "the citizens of Appomattox County have every right to be exceptionally proud of the educational system. With the new facilities which will be available next year, with the additional educational opportunities provided through additional course offerings and with the dedicated teachers, administrators and other school employees who are giving their best to the school system, this county will continue to rank among the more outstanding small rural school divisions in Virginia."

Housing Workshop Set April 2

Anyone who has experienced a housing problem - whether it was high property taxes, high construction costs or limited choice in rental property - can attend a housing workshop which will be held at 7:30 p.m. on April 2, in the Appomattox County Court House.

Citizen input for the Housing Policies Plan and Program being developed for the future will be solicited at the workshop. The workshop is being sponsored jointly by the Appomattox County Planning Commission and the Central Virginia Planning District Commission (CVPDC).

Presently only one in five families can afford the average priced new house in Central Virginia. That means 80% of the population must find housing in the rental market, mobile home market or vacant housing market.

Cost and availability are only two of the housing problems residents of the Central Virginia Planning District must face. Many others are pointed out in the housing brochure recently compiled by the CPPDC for the purpose of describing the current housing situation.

Lt. Colonel John R. McCormick of Bedford, Chairman of the CVPDC's Community Resources Policy Committee, stated, "I believe that the study of existing housing conditions and needs of the Central Virginia area will be of great significance. There are few things in life that match the importance of a family's housing. Likewise, there are few things that affect the income like housing costs."

"The availability of decent housing within the reach of the financial capabilities of the family's population is a very desirable goal," he continued.

Chairman McCormick expressed his hope that "many people will take the time to attend the workshop in their jurisdiction and make their views on housing known."

To meet the housing demand of the future, plans must be made now for the development that will take place. Through the housing workshops the CVPDC hopes to gain insight from the citizens of each jurisdiction so that the proposed District Housing Policies Plan and Program will be an acceptable one.

A final draft of the Plan will be presented before a District-wide Public Hearing, and after any necessary modifications the Plan will be presented to the CVPC Board of Commissioners. If approved by the Board the Plan will be presented to each local jurisdiction for their consideration.

When the Housing Plan has been adopted by a majority of the jurisdictions representing over half the District's population, it will become the district's "Official" Plan. Any jurisdiction not adopting the Plan will not be bound by it.

Since the CVPDC has no authority for implementation or enforcement, each jurisdiction which adopts the Plan can utilize the recommendations as they see fit. If citizens participate in the housing workshops, the Housing Plan would reflect the ideas and desires of those persons the Plan affects. By suggesting guidelines for future development, the Housing Policies Plan and Program can be a means of achieving desired goals expressed by the citizens of the Central Virginia Planning District.

If you would like to obtain a copy of the Housing brochure before the workshop, send your name and address to the Central Virginia Planning District Commission, Box 2526, Lynchburg, Va. 24501.

Led By the Spirit

In Romans 8:14 we find that the sons of God are led by the Spirit of God. Children are expected to bear some likeness to the parent. Here is a test that we may use upon ourselves. The Scripture does not say as many as have been baptized, as many as come forward, etc., but the Scriptures declare those who are *"led by the Spirit of God"* are the sons of God! Those who are not led by the spirit of God are not His sons! We find from the teaching of the scriptures that the Holy Spirit leads the Lord's people to repentance. He leads us into all truth. He leads us into love. He leads us to concern for lost souls. He leads the sons of God into Holiness. The Holy Spirit gets blamed for a lot of things that He has nothing to do with. People are apt to say concerning some act or deed, "Well, the spirit led me." We must remember this: that **the Holy Spirit never leads contrary to the Word of God.** The Holy Spirit always leads in accordance with the Word of God. The Christian has thousands of infirmities, but yet has a sincere desire to follow Christ and to be led by the Spirit to holiness. By whom are you led?

Modernistic Club News

Sunday, March 24th, was a lovely day in Appomattox, Va. and regular services at First Baptist, and Promise Land Baptist Churches were well attended.

Regular Sunday School was held at Galilee Baptist Church with superintendent John A. Watson and the teachers all at their post for the 10:00 o'clock hour. The theme for discussion - "Giving One's Best." Acts 6:8-11-7:54-60. Memory selection: Let us run the race with patience. Hebrew 12:1-2) The lesson was a very timely one, in that, it gave examples of many Christians, who have practiced self-discipline, gone to jail, and given years of their lives as missionaries for the faith. The lesson was very impressive, and all who came to Sunday School, gained helpful information. The church school was well attended. The offering for the day was good.

Mrs. Lillie Stevens who under went surgery Monday morning, one week ago, is back home and is progressing nicely at this writing. Many relatives and friends, have called, and visited with her, since she returned from the hospital. We are happy that Ms. Stevens is doing nicely. Mr. Herbert Allen attended the funeral service of his uncle in Cumberland, Virginia Saturday, at 1:00 p.m. He was accompanied to the funeral by his son Tony Allen. We were saddened to learn of the passing of Mr. Allen's uncle.

We are hoping for all in the community who are on the sick list, a speedy recovery.

We were sorry to learn of the death of Mr. Willie Wright's nephew, who passed away in a Newport News Hospital. We want Mr. Wright to know that our hearts go out to the family in the hour of their great sorrow.

We hope that Mr. Wrights niece will continue to improve. She too, was a patient in the hospital, at the same time that her husband was a patient. May God ever be with the entire family, now, and always.

The Gospel Four of Galilee Baptist, and sister churches, journeyed to Lynchburg, Virginia at 3:00 p.m. Sunday where they gave a program of music in Gospel Songs at White Rock Baptist Church. We learned that the program was a success.

At 7:00 p.m. the Gospel Four journeyed to Mt. Shiloh Baptist Church, Spout Spring, Virginia where the group was in charge of the music for the night service. We trust that the program was success at both of the churches where the Gospel Four rendered music.

In and out of town:

Messres Phillip Langhorn of Md., and Junior Patterson of Washington, D. C. recently visited their aunt Mrs. Alpha Brown, in Historic Appomattox, Va. They enjoyed their visit here very much.

Mesdames Frances McIvor, and husband, Nancy Hancock, husband and baby, along with Mr. and Mrs. James Pannell, spent the week end in Baltimore, Md. last week end. They gave an account of a very enjoyable time while in Baltimore, Md. Visiting relatives and friends. Mrs. Eva Allen accompanied the Gospel Four to White Rock Baptist Church in Lynchburg, Virginia Sunday.

See you next week!!!

Appomattox Guardsman Saves Life Of Boy

[reprinted from National Guard Magazine]

A 24-YEAR OLD APPOMATTOX Guardsman was credited for saving a boy from great injury or death during the annual Lynchburg Christmas parade held Dec. 4. Sgt. Roger D. Slagle of Company C, 2nd Battalion, 116 Infantry, who was on volunteer duty with about 100 of his fellow Lynchburg Guardsmen, grabbed a youth, about 12 or 13 years old, who jumped out in front of a parade truck in an apparent attempt to pick up candy which had been thrown from the vehicle. According to an eyewitness, who wrote the *Lynchburg News*, Slagle got the youth "just in time," the truck "missing him by inches." The name of the fortunate bystander was not known to Guard officials.

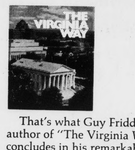
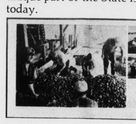
Nobody makes Brunswick Stew like the folks in Southside Virginia.



That's what Guy Friddell, author of "The Virginia Way," concludes in his remarkably beautiful book about Virginia and its people. He writes about Southside's tobacco market, the events and leaders who shaped the area's history, and what this unique part of the State is like today.



"The Virginia Way" is a book you'll enjoy for years. In its 231 pages are hundreds of photographs, many in full color, that picture Virginia from border to border, in every season. It's a volume to treasure. Or to give.

You'd pay $12.95 for "The Virginia Way" at the bookstore. But now, for a limited time, Fidelity offers it at less than half the retail price. Here's how to get yours:

1. Deposit $100 to a new checking or savings account,

or add $100 to existing savings. Get "The Virginia Way" for just $5.95 plus tax.
2. Deposit $1,000 in a 1-year minimum savings certificate. Get "The Virginia Way" for just $2.95 plus tax.
3. Deposit $5,000 in a 1-year minimum savings certificate. Get "The Virginia Way" free.

And, of course, your savings earn the highest interest allowed by law in all of the above plans. So you save two ways. "The Virginia Way." Get your copy now at any Fidelity office.
